DEGREES CONFERRED BY POSTSECONDARY INSTITUTIONS

IN SOUTH CAROLINA

ACADEMIC YEARS 1980 - 81 and 1981 - 82

Introduction

This tabulation of academic degrees and other awards has been compiled by the South Carolina Commission on Higher Education primarily as an aid to institutions and to state-wide planning for postsecondary education. The data are tabulated from information furnished to the Commission and to the National Center for Education Statistics on NCES Form 2300 - 2.1 (Degrees and Other Formal Awards Conferred).

The tabulation is divided into two parts. Part I lists the number of graduates with Bachelor's, Master's and Doctor's degrees by subject matter and institution. Part II lists the number of graduates with Associate Degrees and Other Awards less than the Baccalaureate by subject area and discipline. In both parts, the years at the top of each column are the years in which the reports of graduates were submitted: degrees awarded between July 1, 1980, and June 30, 1981, are reported under 1981, while degrees awarded between July 1, 1981, and June 30, 1982, are reported under 1982.

All institutions which reported awards in a given subfield are listed immediately following the entry for that subfield. State-supported institutions are listed first, followed by private, or independent, colleges. A zero (0) indicates that a program was offered, but that no degrees were conferred during that year. A blank space indicates that the program was not offered at that level.

August, 1983
